Tuesday, April 24, 2018

Good afternoon,

This request was sent in by William O'Brien, Key Assistant Location Manager for FX's "Snowfall", who is reachable by phone at 612.245.7024, and by email at williamhowardobrien@gmail.com. The location manager is Brian O'Neill, reachable by phone at 323.646.8334, or by email at bmxoneill@mac.com.

Our Aerial Coordinator is named Kevin LaRosa, Jr, who will be present during filming of scenes involving aircraft.

Production company will abide by on site instructions from VNY airport operations, VNY Airport police, LAFD Fire inspector, and FAA tower instructions at all times.

Our general filming scenes include the following:

- We are proposing to film an establishing shot of our hero hangar, as our hero drives up to it in his vehicle.
- We are proposing to film scenes practically inside the Helinet Main Hangar that are "talking scenes" involving no effects or special requirements.
- There will be a dog in the scene. We will pull the appropriate animal permit.
- Production will have "work trucks" on the south side of waterman only, with 20' emergency vehicle access left open at all times. Production will not double-park any vehicles.

Letter of Intent
